

Dear Friends,

As you may know, God has given me a vision to plant a church. It is clear that many 18-35 year olds have turned away from the church, feeling as though the church no longer speaks to the issues they are facing. Uplift Church is a church that reaches a new generation for Christ. We want to reintroduce young people to Christ and to the Church by uplifting their minds, hearts and spirits.

As those of us on the launch team begin this journey, we ask for your prayers. Please pray for us as we commit to planting a new church in Maryland. Pray that we will create an amazing Christ centered community that is focused on making a difference in people's lives. Pray that God continues to do more than we can ask or think.

In addition to your prayers, we also need your financial support. As a new initiative, we have to cultivate a team of ministry partners who will commit to financially and prayerfully support the church during our initial stages. Would you consider investing in the planting of Uplift Church by contributing towards our launch as we seek to make disciples within the Laurel, Maryland area? Please visit www.upliftmd.com to learn more about the mission and vision of Uplift Church and to stay informed on how God is using Uplift Church.

Thanks and God Bless,

Rev. Marquez Ball

\$25 Will help provide food for our volunteers

\$50 Will help purchase videos for our children's ministry

\$100 Will help us send out 1400 mailers

\$250 Will help us purchase six flag banners

\$500 Will help purchase four microphones and stands
