**REVIEW**

## *A year of unprecedented blessing*

Uplift Church began a little over one year ago with a team of dedicated individuals that had a heart for God. It is amazing to continue to watch God accomplish great things through Uplift. God has generously blessed Uplift Church and we are getting the opportunity to share the good news of Jesus Christ with more people every week.

This year, I'm excited to share an overview of what God has done at Uplift Church in 2015 to celebrate some amazing moments and give you a better idea of our current attendance and involvement for the year. Our desire is to be a place that's uplifting in mind, heart and spirit.

Thanks so much for your generosity during the 2015 year. Lives are being changed, marriages have been restored, and we are just getting started. None of this would be possible without your willingness to partner with us financially.

We were blessed to invite church attendees, their families, friends, and surrounding communities to our first Easter celebration. We had a free Easter Egg Hunt, food, moonbounces, games and more following our morning service. We also had gospel recording artist and Sunday's Best winner Geoffrey Golden as our musical guest.
